

That if the State of *England* shall either willingly Tolerate, or weakly connive at such Courses, the Church of that Kingdom will sooner become the Devils dancing-School, than Gods Temple: The Civil State a Bear-garden, than an Exchange: The whole Realm a Pais base than an *England*. And what pity it is, that that Country which hath been the Staple of Truth to all Christendom, should now become the Aviary of Errors to the whole World, let every fearing heart judge.

I take Liberty of Conscience to be nothing but a freedom from Sin, and Error. *Conscientia in tantum libera, in quantum ab errore liberata*. And Liberty of Error nothing but a Prison for Conscience. Then small will be the kindness of a State to build such Prisons for their Subjects.

The Scripture saith, there is nothing makes free but Truth, and Truth saith, there is no Truth but one: If the States of the World would make it their sum-operous Care to preserve this One Truth in its purity and Authority, it would ease you of all other Political cares. I am sure Satan makes it his grand, if not only task, to adulterate Truth; Falshood is his sole Scepter, whereby he first ruffled, and ever since ruined the World.

If Truth be but One, methinks all the Opinionists in *England* should not be all in that One Truth, some of them I doubt are out. He that can extract an unity out of such a disparity, or contract such a disparity into an unity; had need be a better Artist, than ever was *Drebell*.

If two Centers (as we may suppose) be in one Circle, and lines drawn from both to all the points of the Compass, they will certainly cross one another, and probably cut through the Centers themselves.

There is talk of an universal Toleration, I would talk as loud as I could against it, did I know what more apt and reasonable Sacrifice *England* could offer to God for his late performing all his heavenly Truths than an universal Toleration of all hellish Errors, or how they shall make an universal Reformation, but by making Christs Academy the Devils University, where any man may commence Heretick *per saltum*; where he that is *filius Diabolicus*, or *simpliciter pessimus*, may have his grace to go to Hell *cum Publico Privilegio*; and carry as many after him, as he can.

*Religio docenda est, non coercenda* is a pretty piece of *album Latinum* for some kind of throats that are willingly sore, but *Hæresis dedocenda est non permittenda*, will be found a far better *Diamoron* for the Gargarismes this Age wants, if timely and thoroughly applyed.
